

Burning Brains The Band

BAND STORY

"

I'M JR HUNTER THE VOCAL OF THE BAND. PLEASE I ASK YOU A FAVOR. SPREAD YOUR FRIENDS OUR BAND, AND LET THEM KNOW ABOUT OUR CD AMAZON'S ON FIRE. PLEASE. BELOW IS THE BAND RELEASE AND SOME LINKS. I THANK YOU SO MUCH FOR YOUR HELP. GOD BLESS YOUR LIFE. ...from Antonio and Nelson WE ARE BURNING THE BAND from Belém , Brazil · We' ve developed a following of loyal fans in our country and are anxious to share our music with the world. The original band formed in 2005 and like many other bands, we' ve had different talented musicians that represented our band as it evolved. Burning Brains The Band, has always strived to blend classic rock and roll music with heavy metal and occasionally romantic ballads. Our main influences are bands such as Dokken, Keel, W.A.S.P., AC/DC, Ozzy Osbourne and Judas Priest. We' ve had the honor of being selected as the act for concerts in Brazil with headline acts like Angra and Dr. Sin. As things increasingly become more demanding and of a serious nature, original founding members and songwriters Augusto Cesar Junior (lead vocalist Jr. Thunder) and guitarist / producer Nelson Torres have asked the former band members to rewrite and re-record all of the Burning Brains songs. Alcyce Caracciolo (Antonio' s wife) lends her talents as lyricist and co-writer to the project. The new material and rewritten earlier work is recorded, engineered and produced in Nelson' s studio. It will, undoubtedly be new musicians that form the live performance Burning Brains line-up now, and our first CD Amazon' s on Fire is ready with 11 songs, something we' ve worked on for years. So stay tuned and experience the ongoing evolution of our band and our music. Our Band is: Jr. Thunder- Vocal, Nelson Torres- Guitar, Ricardo Ramos- Bass, Delson Luiz- Drums. We hired Ken and Geri Long at Longshot Productions in Canada to create a series of unique and sometimes shocking conceptual videos to help promote our new recordings; with great success. YOU CAN SEE ALL OF OUR CURRENT CONCEPT VIDEOS IN OUR MYSPACE VIDEO SECTION.
